V. Facts

30). On 02-14-2019 Plaintiff Nehemias Huertas Jr. had an enlarge burst (L-Elbow) which suddenly rupture in the Milwaukee County Jail Facility (Pod 5A day room).

31). On or about 02-18-2019 at the county Jail facility Clinic a culture was obtain by Health staff, and a blood sample which results came back negative for infection to Mr. Huertas L-Elbow (open wound).

32). On or about 02-24-2019 inmate Huertas was transferred to the House of Correction (HOC) in Franklin, WISCONSIN.

33). On or about 03-05-2019 Mr. Huertas was housed in the HOC dorm M6. Inmate Huertas required immediate Medical attention as he reported the Medical incident to CO Waite multiple times. CO Waite is an officer at the HOC. CO Waite with deliberate indifference failed to call the HOC health services unit. Instead of taking Mr. Huertas to the Health Center, Mr. Huertas was escorted to the gymnasium. Mr. Huertas was forced to wait in the gymnasium for four hours in excruciating pain with a dirty and wet, loose bandage and open wound left unattended, exposed to infection.

34). Numerous times inmate Huertas continuously asked CO Waite to call the Health Center but CO Waite refused to seek Medical attention for inmate Huertas serious Medical need.

to the Health Center for Wound Care to Mr. Huertas L. Elbow, the wound was draining fluid and causing pain. HOC & Health staff were contacted by CO Boescher numerous times but HOC & Health staff through deliberate indifference ignored the problem for three hours. Mr. Huertas wasn't escorted to the health center until 1:30 PM

36). On or about 03-11-2019 Mr. Huertas had an appointment with the Orthopaedic Dr. Mark Hodgson, where he learned that at that point Mr. Huertas had a Septic L. Elbow, which he did not have before 03-05-2019.

37). On 03-20-2019 Mr. Huertas had surgical procedure to Septic L. Elbow performed by Dr. Mark Hodgson at the orthopaedic Hospital of Wisconsin. About an hour after surgery Mr. Huertas was transferred back to the HOC with a paper script for pain medication ordered by Dr. Hodgson. On 03-20-2019 back at the HOC Health Center Nurse Tammy interfered with treatment prescribed, and informed Mr. Huertas she is "not giving Huertas such pain medication" because "it is against the law for the Armor Health Care to provide opioids to an inmate". Mr. Huertas stated he was "in a lot of pain" as he "just got off surgery

Couple hours prior to being escorted to the HOC's Health Center and that the Orthopaedic Surgeon prescribed an order of Pain Medication. Mr. Huertas was also made aware of his allergies to Tylenol which "Norco" contains. Nevertheless, the Health Center refused to provide or prescribe and consider an effective substitute or anything at all.

38). On 03/21/2019, Mr. Huertas was transported to the Orthopaedic Hospital for a follow up appointment with the Surgeon Dr. Mark Hodgson. Mr. Huertas notified Dr. Hodgson, the HOC's Health Center wouldn't provide "Norco" because he made an error and prescribed a medication that contains Tylenol which Huertas is allergic to, and asked if Dr. Hodgson can prescribe a different medication but, Dr. Hodgson stated "Sorry I can't it's out of my hands."

Mr. Huertas was then transported back to the HOC, where he seen Dr. Jackie Christanson for a routine follow up. During this follow up appointment Mr. Huertas, notified Dr. Christanson about the existence of his excruciating pain. Mr. Huertas was obviously in severe pain, pleading for pain medication, Dr. Christanson stated: "Sorry I'm not providing Norco besides it's not appropriate, Norco has Tylenol and you're allergic." Dr. Christanson refuse to treat Huertas serious pain to his significant injury. Mr. Huertas remained enduring severe pain and suffering. Nonetheless, Dr. Christanson refused to provide available treatment, with respect to Mr. Huertas severity and stage of his condition.

39). On 03-26-2019 Mr. Huertas Was seen by Dr. Shelly Johnson for a sick call regarding Mr. Huertas serious pain to his L. Elbow and back Pain etc.. Dr. Johnson referred Huertas to Physical therapy and refused to provide and consider an effective substitute medication instead she provided Tramadol, an ineffective medication for Huertas, significant injury & serious pain. Furthermore, during the numerous visits to the health center on a daily Mr. Huertas even complained to all the nurses who perform his dressing changes during wound care to no avail, and suffer greatly post-surgery complications through his entire recovery.

40). On or about 04-02-2019 around 12:30pm Mr. Huertas complained to nurse Sheryl that he was "having complications swallowing his Food" and that he "felt itchy all over his body". I'm allergic to Tylenol, no wonder, I'm having allergic reactions!" Nurse Sheryl stated: "Whoever put you on that messed up! But don't say you heard it from me!" Mr. Huertas later reviewed his medical record and learned that Nurse Sheryl ordered Tylenol 3 and Dr. Laura Sukowaty approved it.

41). On 04-08-2019 Mr. Huertas was seen by Nurse Practitioner

Charles Dombek for a follow up. Mr. Huertas also notified Charles how the Health center has been very unfair in treating Mr. Huertas pain with ineffective treatment, because he was prescribed pain medication but the medication contains Tylenol which Mr. Huertas is allergic to. Charles simply stated: "I'm not prescribing Pain Killers!"

42). On Saturday 04-13-2019 approximately at 6:30AM inmate Huertas requested to be escorted to the Health Center as Mr. Huertas had an obvious open bleeding wound that required immediate medical attention. CO Miguel contacted the Health center numerous times and notified the Health center Mr. Huertas need it to be seen immediately for wound care as his bandage was damped in blood and fluid. Health Center staff thru deliberate indifference ignored the urgency of this issue. This lead to creating a life threatening situation for Mr. Huertas because the wound was bleeding profusely. Mr. Huertas was in **excruciating** pain for over seven hours. Mr. Huertas was seen at 1:15PM. Huertas asked the Health Center CO (Serrano)

"Why did it take so long for Huertas to be escorted to the Health Center?" CO Serrano stated: "They don't want to work", referring specifically to Nurse Holly. The lack of Medical treatment was inhumane and unnecessary.

43). Elbow. Mr. Huertas also notified Dr. Sabatier that he supposed to be on pain killers, Dr. Sabatier stated: she is "not providing pain killers" to Mr. Huertas.

44). On 04-18-2019 Mr. Huertas was seen by Charles Dembeck for a follow up due to the continuous serious pain, swelling and drainage. Once again Mr. Huertas was prescribed ineffective treatment (Naproxen), and referred to orthopedic Surgeon for follow up to no avail as Dr. Mark Hodgson erroneous treatment decision also has lead Mr. Huertas to suffer greatly post-surgery complications, and excessive suffering.

45). On 04-29-2019 around 9pm CO Gilbert called the Health Center for Mr. Huertas to be seen as

Huertas was tearing, in **excruciating** pain with his bandage obviously bloody, in the HOC M6 dorm at the CO's desk. CO Gilbert Stated: that Nurse Scott & Nurse Mud both refuse to see Huertas! CO Murray was present at the desk at this moment and laughs very loud as she stated: "That's why you're going to be in pain!" Recklessly disregarding inmate Huertas serious Medical Need.

Medical personnel simply resorted to an easier course of treatment that they knew is less efficacious. Furthermore, officials knew of a substantial risk from the very fact that the risk was obvious and disregarded Huertas existence of chronic, substantial pain, and risk of infection. XI. Failure To Protect

58). Huertas was subjected to a violation of his Fifth, Eighth and Fourteenth Amendment Rights to the U.S. CONST. when Jail officials and/or health staff failed to protect Huertas as Huertas ability to protect himself and seek outside aid was taken away when Huertas was taken into custody (02-08-2019).
